KUFPEC WELCOMES 2016
KUFPEC participates at the APGCE Conference in Malaysia

KUFPEC joined with more than 22 countries participating in the Asia Petroleum and Geoscience Conference and Exhibition (APGCE) held on 12 – 13 October 2015 at Kuala Lumpur Convention Center in Malaysia. Under the theme “Energizing Asia Through Geoscience Ideas and Solutions” the conference tackles both the technical and commercial aspects impacting the industry’s future hydrocarbon quest. An expected 1,778 participants will attend the APGCE event.

KOGS 2015

Successfully Concludes its International conference and exhibition

KUFPEC actively participated in the Society of Petroleum Engineers (SPE) 2nd Kuwait Oil and Gas Show (KOGS 2015) which was successfully concluded on 14th October 2015 with more than 200 local and International exhibitors. KOGS presented a multitude of plenary and discussion sessions that provided an unprecedented opportunities for energy professional to discuss business and address technical issues and challenges facing the oil sector.

Mrs. Hosina Hashem - KUFPEC VP operation chaired the conference program and moderated a plenary session titled “Overcoming Scarcity of Resources”. KUFPEC’s Manager Technical Support Mrs. Ghada Al-Amer was also among KOGS active panel moderators.

The event was attended by a number of KUFPEC employees who were also available at the KPC flagship stand to communicate with the audience.
KUFPEC Canada welcomed a high level delegation comprising of Kuwait Petroleum Corporation (KPC) Chief Executive Officer Mr. Nizar Al-Adsani, KUFPEC Chief Executive Officer Sheikh Nawaf S. Al-Sabah, KUFPEC Vice President for Operations Mrs. Hosnia Hashim and Mr. Tareq Ebrahim KUFPEC Manager for Canada EMEAR region. During the three day visit from 23 to 25 October 2015, KUFPEC Canada Country Manager Mr. Lee Wahl provided an overview for the high level KPC and KUFPEC delegation regarding KUFPEC Canada activities at the Kaybob Duvernay Joint Venture and followed by a field visit.

Chevron Canada President Mr. Jeff Gustavson and his technical team received and escorted the KPC and KUFPEC delegation at the Kaybob Duvernay field visit.
ADEPIC 2015 honors KUFPEC’s VP-Operations Mrs. Hosnia Hashim as “Oil and Gas Women of the year”

Mrs. Hosnia Hashim VP Operations, one of the Forbes Most powerful Arab Women in 2014, and a speaker at this year’s ADEPIC “Women in Industry” Conference, was honored with the “ADEPIC 2015 Oil and Gas Women of the year award”.

The winner of this prestigious award was announced at the ADEPIC GALA award dinner on ADEPIC’s opening night on November 9 2015.

The award stands as a motivational channel through which the industry can spotlight the amazing women from the region who have grounded their success on incredible accomplishments, making them natural role models for tomorrow’s generations of women professionals.

Commenting on the sideline of this occasion, Mrs. Hosnia said “Recognizing women achiever in energy is more important than ever to challenge the perception that the oil and gas industry is a male domain” adding that “the journey to success is not an easy one, can be achieved with commitment, determination and support of corporate policy”.

KUFPEC employees take this opportunity to extend their warmest congratulations to Mrs. Hosnia on achieving yet another remarkable career milestone.
KUFPEC Canada Family Gathering

On November 27, 2015 KUFPEC Canada team had a gathering at Banff, Alberta (one and a half hours from Calgary) and stayed at the Rimrock Resort Hotel, nestled in the Canadian rocky mountains 750 feet above the town of Banff. The team had dinner in the evening followed by entertainment with Canadian games with everyone exchanging token gifts.

The next day, the KUFPEC Canada team went dog sledding at the Canadian rocky mountains with professional guides and trained dogs.
